

5 YEAR LIMITED WARRANTY

COMPANY: NUDEC, S.A. Pintor Vila Cinca, 24-28 (08213 Polinyà, Barcelona) SPAIN.
PRODUCT: NUDEC®PET - Extruded Transparent Colourless PET sheet.
DIRECT CUSTOMER (*):
APPLICATION (*):
TERRITORY (*):
PERIOD: Five (5) years from the date of sale to the Direct Customer.

The Company hereby provides the following Limited Warranty against the effects of weathering for its NUDEC®PET product supplied to the Direct Customer.

1. Optical Properties

After five years NUDEC®PET colourless transparent anti glare will, as a direct and exclusive result of exposure to solar radiation and normal weather conditions, have a light transmission value not more than ten (10) units lower than at the time of delivery. Light transmission is measured in accordance with the Standard ASTM D 1003 on cleaned sheets, free of scratches.

After five years NUDEC®PET colourless transparent anti glare will, as a direct and exclusive result of exposure to solar radiation and normal weather conditions, have a yellowness value not more than ten (10) units higher than at the time of delivery. The yellowness value (yellowness index) is measured in accordance with the Standard ASTM E 313-98 on cleaned sheets, free of scratches.

2. Mechanical Properties

After five years, NUDEC®PET colourless transparent anti glare will, as a direct and exclusive result of exposure to sun radiation and normal weather conditions, have a Young's Modulus of $e \geq 1900$ MPa. The Young's Modulus is measured in accordance with the Standard ISO 527-1,2 on standard specimen bodies. The surfaces of the specimens, which are generated mechanically, must be polished or fine ground prior to testing.

In the event of failure of the product to meet the provisions of this Warranty, the Direct Customer shall immediately advise the Company of the default, provide the Company with relevant samples, and shall allow the Company to inspect the claimed product.

In the event of a justified complaint, the Company, at its absolute discretion, shall provide either replacement material to a value in accordance with the scale set out below, or shall refund the Direct Customer with the original invoiced amount to a value in accordance with the scale set out below. IN NO CASE SHALL THE COMPANY BE RESPONSIBLE FOR ANY INDIRECT OR CONSEQUENTIAL LOSS OR DAMAGE.

TIME FROM PURCHASE DATE	VALUE OF REPLACEMENT MATERIAL AS A PERCENTAGE OF THE ORIGINAL INVOICE VALUE
Up to 1 years	100%
In years 1 to 3	50%
In years 3 to 5	25%

CONDITIONS OF WARRANTY

Conditions of the Warranty are that:

- The goods were paid for, and that the Direct Customer's invoice is presented, from which the name and address of the customer can be identified, as well as the date of purchase, the product value, and the product designation.
- The Direct Customer examined the goods immediately after delivery, and informed the Company forthwith of any defects.
- The material was stored, transported, worked, processed, and used in a manner appropriate to the material.
- The sheets had not been subjected to any detrimental chemical effects.
- The maximum temperature for use as recommended by the Company, i.e. 60°C had not been exceeded.
- The sheets had not been affected to their disadvantage by bonding, securing, and/or sealing elements.
- The Direct Customer issued notification in writing of the defect within a week of its detection, by submitting the invoice and identifying the material.
- The Direct Customer allowed inspection to be carried out by the Company.

On behalf of Nudec S.A. (the Company):

J. Mª Martinez – Managing Director
